ACTION COALITION:

**GENDER-BASED
VIOLENCE**

Action Coalition on Gender-Based Violence : Draft Actions

Action 1

More states and regional actors ratify international and regional conventions and public and private sector institutions strengthen, implement and finance evidence-driven laws, policies and action plans to end gender-based violence against women and girls in all their diversity. In so doing, 550 million more women and girls will live in countries with laws and policies prohibiting all forms of gender-based violence against women and girls by 2026.

Action 2

Scale up implementation and financing of evidence-driven prevention strategies by public and private sector institutions and women's rights organizations to drive down prevalence of gender-based violence against women, adolescent girls and young women in all their diversity including in humanitarian settings. In so doing, increase by 50% the number of countries that include one or more evidence-driven prevention strategies on gender-based violence against women and girls in national policies by 2026.

Action 3

Scale up implementation and financing of coordinated survivor-centered, comprehensive, quality, accessible and affordable services for survivors of gender-based violence against women and girls in all their diversity including in humanitarian settings. In so doing, more women and girls will live in countries with multi-sectoral action plans on GBV which include provision of police, justice, health and social sector services by 2026.

Action 4

Enhance support and increase accountability and quality, flexible funding from states, private sector, foundations, and other donors to autonomous girl-led & women's rights organizations working to end gender-based violence against women and girls in all their diversity. In so doing, progressively improve and increase international funding by 50% to Women's rights organisations, activists and movements including those working to address gender-based violence against women and girls in all their diversity by 2026.

ACTION COALITION: ECONOMIC JUSTICE AND RIGHTS

Action Coalition on Economic Justice and Rights: Draft Actions

Action 1

By 2026, increase the number of countries with a comprehensive set of measures including through investments in gender-responsive public and private quality care services, law and policy reforms and the creation of up to 80 million decent care jobs to recognize, reduce and redistribute unpaid care work and reward and represent care workers, while guaranteeing their labour rights.

Action 2

Create an enabling legal and policy environment and engage women to expand decent work in the formal and informal economy to reduce the number of working women living in poverty by 2026

Action 3

Expand women's access to and control over productive resources through increasing access to and control over land, gender-responsive financial products and services, and the number of firms owned by women by 2026. In doing so,

- Secure access to ownership and control over land and housing is increased for 7 million women;
- The gender gap in women's financial inclusion is reduced to 6% by increasing both formal and informal financial inclusion;
- The number of women's economic empowerment national programs integrating digital financial services and participation through gender-responsive platforms is increased by at least 50%;
- The number of firms owned by women is increased by 25%.

Action 4

Design and implement gender-responsive macro-economic plans, budget reforms and stimulus packages so that the number of women and girls living in poverty is reduced by 85 million including through quality public social protection floors and systems by 2026.
